Put a checkmark in the column that corresponds to the time of day and the Student's behavior.

Compliant is defined as: The Student followed the teacher's verbal (individual or whole class) directive with only minor prompting, cueing, or persuasion (i.e., 1-2 reminders, physical proximity, or individual attention)

Non-Compliant is defined as: The Student did not follow the teacher's verbal (individual or whole class) directive after major prompting, cueing, or persuasion occurred.

NOTE: If the student is Non-Compliant, indicate any of the following, in number form, if applicable to the situation:

#1 Student refused to comply continuously but behavior did not escalate.

#2 Student blatantly refused the activity or request and made a verbal disruption in the classroom and/or administration was informed.

#3 Student acted erratically/dangerously (i.e. threw objects, made physical contact with another) when given a directive and crisis intervention was needed.
